

## Who We Are

*The Brodstone Foundation is devoted to exploring a wide-angle view of our communities' healthcare challenges to help us identify gaps, explore possibilities, and generate support for our hospital and clinics' greatest needs. We guide gifts in strategic ways to best support the mission to provide exceptional and progressive healthcare to the communities we serve. With the contributions of generous donors and an exceptional healthcare team, we help bring Superior Care Close to Home.*

*The Brodstone Foundation acknowledges all gifts and tax deductible receipts can be sent upon request.*
